

Employee Lacquer Preparation (m/f/d)

Beschreibung

Behind every successful company is a team that tirelessly does everything it can to fulfill its customers' wishes. This is what our 100 employees stand for, who contribute to the implementation of our customer requirements in a wide variety of areas every day. You like to be in the middle of the action and like to lend a hand? In this case, we have the right jobs for you!

Our production and warehouse team is looking for reinforcement. In our three-shift system, you will help to meet all customer wishes. We offer you a long-term planning security, work in a supportive team and a perfect work-life balance.
