Flexible and high-performance

Décor surfaces with a *clean touch*

Elesgo *ghost skin* is our most flexible surface design. *Ghost skin* combines, as a specially developed transparent overlay, the quality and high-performance of the Elesgo surfaces with nearly all décors. The décor surfaces are obtaining the enduring and tactile characteristics of Elesgo *clean touch*.

The unique aspect of Elesgo *ghost skin* is that it is applicable to melamine surfaces as well as to aluminium and metal surfaces or veneers.
